J. Swann, Secy.

Funeral of J. Kelly

The Miners' Hall was crowded on Thursday when the funeral services were held for J. Kelly who died from the injuries received at the mine. The Coleman Band rendered several impressive hymns and afterwards headed a large procession to the Protestant Cemetery.

Rev. T. M. Murray conducted the funeral services and T. W. Davies the undertaking.

Happennings in and Around Coleman

Happy Harrison is happy Senator McLaren returned to Ottawa this week.

Fresh fruit and delicious ice cream at the Palm.

Patronize home industry use "Chief Laundry Soap."

T. A. Powell of Macleod was in town on Wednesday.

Ask your merchant for "Luxerine," the soap of quality.

W. J. Bartlett stepped up to Coleman this week.

J. Hameir of Blairmore was around town last Sunday.

Born—On June 14th, to the wife of Mr. Macari, son.

A. McLean paid Lethbridge a business visit on Saturday.

Born—On the 10th inst., to Mr. and Mrs. W. Clark a daughter.

The Al G. Barnes Circus train arrived yesterday at 1 o'clock.

FOR SALE—Splendid Prince Albert property. Terms \$5 down and \$5 a month apply to T. B. Brandon.

Mrs. G. A. Kjessness of Spokane is visiting Mr. and Mrs. E. Disney.

H. A. Parks Portage la Prairie Manitoba is visiting in Coleman.

If you want new Furniture at second-hand prices go to H. Ward's.

J. S. Taylor, representing the Cary Safe Co. was in Coleman on Thursday.

Miss Ida Close returned to her home in Woodstock, Ont. for the summer months.

For sale—A limited number of cradles and other furniture, Apply J. Smith Cowley.

For Sale—New Furniture at reduced prices. Am leaving for B. C. Mrs. McQueen, West Columbia.

If it is something you want in good furniture, we have it at H. G. Goodwin's Hardware store.

Now is your chance for a bargain in new Furniture. Some of it has never been used. H. Ward's.

Judge Carpenter and Colin McLeod were in town on Wednesday attending a sitting of the District Court.

W. C. Simms, Barrister of Lethbridge, attended court this week in the interest of the U. M. W. of A.

J. Stafford Jr. is in Lethbridge this week. John is making a thorough investigation of the linotype machine.

H. G. Goodwin would like to show you the new line of Keen Kutter tools just received at the Hardware store.

New Furniture for sale. Only been in use four months. At H. Ward's, First St., opposite Coleman Hardware.

F. W. Cardno, late of the J. H. Ashdown Hardware Co. B.C. has joined the staff at the Goodwin Hardware Co.

You will make no mistake by watching for our Saturday special. Goodwin's Hardware store offers inducements to purchase.

E. Disney stated to a representative of the MINER that he had on hand a large stock of chloride of lime. This is excellent for disinfecting.

Dr. Mewburn of Lethbridge met Dr. Westwood in consultation and the case was deemed hopeless so that no operation was deemed advisable.

Mr. MacBeth and Mr. Hunt of Granbrook have been in Coleman the past week in the interests of the Prudential Life Assurance Co. of Winnipeg.

For Dominion Day the C.P.R. announce a rate of fare and one-third for the round trip. Tickets on sale June 20 to July 1st. Final return July 4th 1910.

Mr. A. A. Paull, the Rossland Photographer is in town on a business trip. Mr. Paull is very highly recommended. His tent will be noticed opposite the tennis grounds.

Clark's Moving Pictures were exhibited last Saturday night before a large house. The pictures will be again exhibited in the Opera House on Saturday evening.

Master Jack Graham was taken seriously ill again on Tuesday night being unconscious many hours. Nurse Taylor is nursing him and at the present time is doing well.

Many floral wreaths from the different societies and clubs were placed on the funeral casket of J. Kelly.

Fatal Accident in Coleman Mine

The community was startled on Tuesday morning to hear the news of a fatal accident in the mine. A large lump of coal weighing almost fifty tons dropped from the pillar just above where several miners were working, crushing and suffocating three of them.

J. Homenac was instantly killed and W. Kelly sustained a fracture at the base of the skull resulting in compression of the brain from hemorrhage. His thigh was also fractured over the high joint. Mr. Kelly died at the hospital on Wednesday afternoon at 4 p.m. He leaves a widow and two children.

August Varari was also injured but is now able to be about.

J. MacLean had a miraculous escape as he had only an instant before left the place where the coal fell. Work was suspended in the mine for two days.

COLEMAN'S LEGAL LIGHT

In another column will be found the business card of Mr. R. G. Munro to which we direct the attention of our readers. Mr. Munro is a graduate of Acadia University in Nova Scotia, and has been a practising Barrister in that province for the past thirty years in which he has won distinction in his profession. Mr. Munro was obliged to try the West on account of serious throat and bronchial trouble which became so acute as to practically incapacitate him from practising his profession, which was chiefly Court work. He has so greatly improved since he has been in Alberta that he has decided to remain, and will locate and practise in Coleman and Blairmore. The Digby Courier published in his own town in Nova Scotia, speaks of him in the following terms—"Mr. Munro's greatest achievements have been won as a criminal lawyer and we understand that he intends to devote the greater portion of his time in the west in that direction."

LAYMAN'S BANQUET PROPOSED

On the invitation of Revs. W. McMorin and T. M. Murray, the clergymen and missionaries of the district met in the club rooms of the Institutional church to confer as to the possibility of having a layman's missionary banquet in Coleman in the near future.

Representatives from all the protestant churches, with the exception of Rev. W. McMorin who was unavoidably absent, were present, and plans were formulated which will be laid before the laymen of the district.

It is expected that the gathering will be a large and important one. The layman's missionary movement has done much to arouse the men of the church to take their part in the establishing of the kingdom of Christ in every land in this generation.

J. Furgan scale inspector for the C.P.R. visited Mr. and Mrs. T. M. Murray on Thursday.

Dr. D. W. Henderson dental surgeon of Calgary is in town. The doctor will open dental parlors next week.

Have your photos made now in the Albert Art Photo Studio. A special reduction on our best portraits for the next ten days only. Call and see our samples at the Photo Tent opposite the tennis grounds.

Miss Amy Disney returned home Wednesday evening. Miss Disney has taken a course of training on the violin in Dupre College of Music. During the June, July and August months Miss Disney will teach the violin.

Dr. Bruce, dentist, honor graduate of Trinity University, Toronto, and Royal College of Dental Surgeons of Ontario, will make his next regular visit to Coleman at the Coleman hotel, on June 18, 20, and 21. Please call and make appointments early.

DISTRICT COURT CONVENES HERE

Judge Carpenter Presides—Four Cases Heard—All for Compensation

to the community.

The June sitting of the district court was held in Coleman on June 15th, at 10 a.m. Wednesday morning. Judge Carpenter presided. Four cases were heard all bearing on the Compensation Act. Colin MacLeod represented the Coal companies and W. E. Simms, of Lethbridge appeared on behalf of the U.M.W. of America.

First case—Mike Cury of Hillcrest versus Hillcrest Coal and Coke Co. Cury by reason of loss of broken finger and permanent injury to his hand asked for compensation. Case was argued on legal grounds. Colin MacLeod took objection on the grounds that plaintiff had not shown that the accident arose in course of employment. The Judge reserved his decision and gave leave to the respective attorneys to file briefs within one week.

Second case—A. Carola vs. International—Payment of Carola's claim was objected to on grounds that there was no dependence and that application was improperly made. W. C. Simms argued strongly against this, but the Judge sustained MacLeod's objections. This case will be continued in the district court at MacLeod.

Third case—Van Duren vs. International—The council for the coal company admitted the liability in this claim and undertook to have money paid into court, one half should be paid to widow forthwith and the balance to be invested for the benefit of the children.

Forth case—Emmerson vs. International—This was a special application made by the solicitor for the coal company to have the balance of \$1200, which is now in court distributed among the defendants. Judge ordered that \$200 be paid and balance invested and interest paid for the benefit of the children. The Judge gave leave to the applicant to make further application for payment by monthly payment plan. Court then adjourned.

Funeral of J. Homenac

J. Homenac, the miner who was killed in the mine on Tuesday was buried in the Catholic Cemetery on Wednesday at 4 p.m. Rev. Fathers De Wilde and Misener held services in the cemetery under the auspices of the Slavonic society and the Miners' Union. Both societies marched to the church and cemetery headed by the Coleman Band. The undertaking was conducted by T. W. Davies. Deceased leaves a widow and nine children.

INQUEST

The jury empaneled by Coroner Disney met on Tuesday and after viewing the body of J. Homenac adjourned until Friday 10 a.m.

The jury is composed of C. Ounimette, foreman W. L. Bridgeford, P. Willimott, J. Larrigan, J. Unsworth, R. Sherwood, and

IMMIGRATION RESTRICTIONS

Strong criticism has been directed of late to the Federal government regulations in regard to the immigration of incoming settlers and domestics into Canada. Strong ground apparently has been taken in regard to mechanics, who, probably through labor disturbances and overfluxing of labor supply, must seek other centres where work can be obtained to provide the necessities of life. Often he is thrown out of employment without a shilling, and his desire to enter one of Britain's dominions is, of necessity, thwarted. Artisans should be granted special privileges in these cases when a certificate of trade qualification is presented.

It is hardly necessary to say, though that the authorities at Ottawa can not maintain too strict a surveillance on our cosmopolitan stream of immigrants. That the incoming settler should have a certain amount of money beyond his or her railway fare to ultimate destination, is highly fitting.

The discomfort and pauperizing effect of the "no-money" immigrant is injurious to the immediate advancement of the newcomer. The country itself for some time is no richer, having to sustain and foster the improvident settler. Added to all is the expense of taking up homesteads with all its attendant miseries. The settler is years in getting a firm start and becoming a good producer of wealth, all because he lacks sufficient money to properly fit himself.

The regulation has a far-reaching effect in that it shuns out almost absolutely "the shiftless class" which are always undesirable. Producing at best but little, caring nothing for education, they hang like a cloud on any community. Keep up the restrictions, in a common sense manner, and treat each individual separately.

The Coal Mining Regulations

Has a prospector an even chance in the North-West provinces of Alberta and Saskatchewan in regard to the leasing of coal lands? Has he got to submit to the man with more money? These are questions which the poor prospector, now diminishing in numbers, is turning over in his mind almost daily. So sombre has the situation become, that the days of the hardy and adventurous prospector are close to an end. The even chance that a prospector may have with his wealthier rival, is the payment of \$1 per year per acre on coal lands not exceeding 2500 acres. It must not exceed 2500. Most lamentable. The more speculative prospector starting with rosy prospects, soon runs amuck. He may finance the first year, the next year he seeks financial partners and the third he is eventually swallowed up in the arms of a benevolent coal syndicate.

This wise and benevolent coal syndicate, which may never lift a ton of coal, can purchase surface rights of other immediate lands at \$10 per acre. Where would our poor prospector be in this predicament? Evidently the Coal Mining Regulations do not give justice to our prospectors and in this the country must suffer.

For Sir's Cheap—In order to save cost of removal to Victoria, I will sell my Piano and Planets. For further particulars apply to D. J. Hill, Coleman Hardware Co.

Virgin sections of the mountainous regions will be left untouched, where a dexterous hand would have paved the way for busy tiples and industrial towns. Give the prospector a chance.

EDITORIAL NOTES

The time, the place, and the circus, at Coleman, June 16th, 17th and 18th.

The third party in Alberta may be more able to third a motion than the second party can second a motion.

Medicine Hat is emitting large volumes of natural gas. Many are despaired of. The die will soon be cast.

There will be more joy in Coleman over one vote in favor of incorporation than in the drinking of a barrel of Old Man river water:

We regret to report another accident in the mines this week. The sympathy of the citizens of Coleman goes out to those that are bereaved.

C. M. O'Brien M.P.P. may resign to test the feelings of the electors of the Rocky Mountain constituency on the new cabinet. "Lofty ideal."

Canada lost a scholarly scholar in Goldwin Smith, and a student of history, whose perceptions never were marred or prejudiced by personalities or restrained by nationalism.

Several names have been mentioned as the candidates for the third party in Rocky Mountain constituency. Budding politicians should accept this intimation that flowers may be appropriate after election day.

The citizens of Blairmore are to be commended on their action in calling off the proposed exhibition on Dominion Day. Coleman citizens should remember this and assist Blairmore when her red letter day comes.

The Nelson News deals editorially with the Alberta Waterways mixup. Looking as it does, through smoked Conservative spectacles a great deal of odium is discovered hanging around Sifton's neck. The greater the distance, the smaller the knowledge can be safely applied to the Nelson News. The Great Waterways deal or itself will receive no more attention from Sifton than Cook's frigidgroom. Why the great Bennett was not called on to form a government, is a question the News could study to advantage in the domain of Alberta.

"It cured me," or "It saved the life of my child," are the expressions you hear every day about Chamberlain's Colic, Cholera and Diarrhoea Remedy. This is true the world over where this valuable remedy has been introduced. No other medicine in use for diarrhoea or bowel complaints has received such general approval. The secret of the success of Chamberlain's Colic, Cholera and Diarrhoea Remedy is that it cures. Sold by all dealers.

Newspaper Building is Wrecked.

Sixty employees and business callers were in the Montreal Herald block this week. The huge water tank fell from the highest storey, wrecking all the machinery and starting a fire,

FOOTBALL

Lille clashed with Coleman last Saturday night. The locals were not playing in their usual good form and as a result it was rather listless. Lille, however was never dangerous. Score at close of game 1-0 in favor of the home team. Next match will be played on Dominion Day.

If you are not satisfied after using according to directions two-thirds of a bottle of Chamberlain's Stomach and Liver Tablets, you can have your money back. The tablets cleanse and invigorate the stomach, impelling the digestion, regulate the bowels. Give them a trial and get well. Sold by all dealers.

What Do You Know About Lethbridge

Do you know how building permits reached \$54,500 in one month of May this year? Do you know that three more lines of railroad are to be built in Lethbridge, one to the west of an infant empire vast as to riches of soil and resources? Two world oil fields—one of which is inside a metropolis in size in the proposed area—will continue to uphold it in the future.

The World is Crying for Productive Soil. The World is Determined to Be Comfortable, hence the positive assurance for the demand for Lethbridge has.

One acre Lethbridge land is positive of \$9,000 today; she is about 14,000, the price set, will show back? Certainly not, not asking as the present people live for tiny will have bread and comfort and Lethbridge has a "bright outlook." Knowing that you people is the City's No. 1 Pass are great wage earners and that you have no particular opportunities for investment at home, I am going to give you the opportunity of making investments elsewhere with out paying the extreme high commission of a travelling solicitor or even a middle man in your own town, which you have been paying heretofore, especially when buying real estate. I am going to cut out the solicitor and middle man so as to give you Lethbridge City property at its present true market value.

Furthermore, I am going to give you positive assurance that I will sell you no lots excepting that they be

HIGH, DRY AND LEVEL

Now should any of you doubt that this statement is an assurance, ask your lawyer if I am not making myself liable and subject to a very heavy fine as well as the returning of your money with costs, if at any time you secure from me a lot that is not high, dry and level which I have advertised in your paper. But putting this all aside, kindly remember that I mean business. I want your business. I want me business. No business can flourish unless done on the square. Enough said.

I have been in the real estate business in the City of Lethbridge for 10 years and I am still doing business, so I guess you are safe as to my guarantee with it considering my country's action.

If you feel satisfied as to this you can make your investment without the inspection of the property and thereby save yourself a considerable amount of time and expense in addition to illuminating the solicitor and the middle man.

Now let me tell you something regarding the line of growth in this busy city of ours. First, the business centre of Lethbridge is south of the railroad and lies on the extreme west side of the city and the land just north of the railroad and opposite the business district, is held for railroad yards, etc., out to what is known as the North Ward, which begins directly north of the track about one-half mile east of the post office. This North Ward is mainly populated by miners and pay laborers, therefore the better residential portion lies to the south east of the business centre and it must continue to grow in that direction as it is now doing, for it cannot go elsewhere.

The additions which I am mainly offering are each immediately south and east of the present residential section, in fact houses are now being built in one of them, "The Alexander Addition" and the other addition "Victoria Park" is held by the city until September 1st of this year.

The Victoria Park was put up at public auction by the city about ten years ago and no lots sold for less than \$300 each and somewhat as high as \$500, this on public bidding, today one cannot be bought for less than \$400 to my knowledge. Victoria Park lots were bought by the best people in the city for their home property and it adjoins the Alexander Addition on the east, both of which Additions are in the city limits and within one mile circle. This circle centred Centralised lies three blocks south and three blocks east of the post office which is situated in the most norh western part of the business district.

Lots in the above mentioned Additions are in my opinion the most likely to increase in value of any other Lethbridge property and should be most easily turned over as homes are already building in the Alexander Addition and Victoria Park should begin to build up as soon as the city take possession on September 1, 1910. I am expecting to see lots in the Alexander Addition sell for \$50 or \$60 each within a year and Victoria Park lots, I am sure will go at \$1,000 each within the same period. Both of these Additions are upon the proposed street car line.

L. D. BARNES

The Coleman freemen were fortunate in securing the Al G. Barnes big 3-ring wild animal circus and its side attractions, to make its initial appearance under the auspices of the Coleman fire department, June 16th, 17th and 18th, which arrived yesterday morning.

Mr. Barnes whose picture appears at the head of this column has spared neither pains nor expense in equipping the great organization he sends forth bearing his name, which for nearly 30 years has led the list of captures, training and exhibitors of the jungle and forest animals.

The Al G. Barnes big 3-ring wild animal circus and its side attractions are organized to make single-day or week stands, to exhibit strictly on its merits and to furnish all the amusement features for streets fairs, carnival, agricultural fairs and the biggest exhibitions. There are none of the old style, worn out, hackneyed type of carnival attractions, but a brand new, dignified, high class circus, second to none and supreme in its claim to being the only real animal circus on earth.

The circus performance is given in three big rings, with steel arenas and elevated stands. Over 200 wild animals take part in a program lasting nearly two hours. Lions, tigers, bears, leopards, dogs and goats take part in equestrian contests; there are herds of performing elephants, troupes on acting ponies, the only Royal Bengal tiger ever exhibited in America; fearless lady and gentleman驯ers on to the steel gridded arenas with mixed groups of lions, leopards and jaguars; by the simple word of command these ferocious beasts execute military evolutions, perform aerobatic feats, waltz, two-step—in fact, obey the trainer's slightest wish.

The several side attractions have been most carefully selected by Mr. Barnes upon the equipment of which no pains or expense have been spared. Notably amongst these may be mentioned Lotto, which is a most elaborate production built by the owners expressly to accompany the Barnes show at an expense of over \$10,000 and has never been seen on this side of the Atlantic.

"Monkeyland" a congress of all the species of the monkey tribe, living in one big pavilion and giving an interesting performance. "The Annex," or side show, contains a wonderful collection of rare curios never before placed on exhibition. "The Minstrel Maids" was a big musical number and a head liner in all the big vaudeville houses in the east. The owners have elaborated from the subject and it is now being produced under canvas for the first time.

There are several other side attractions all of a high order and in keeping with the dignity of the big show.

All of the circus paraphernalia, including tents, stages, parade dens, band chariots, tableau floats, baggage wagons, harness and trappings, wardrobe and uniform comes fresh from the workshops and the costumers, with that style of newness upon it which presents the glitter, splendor and riot of color which delights the eye of the beholder.

Mr. Barnes has not forgotten to provide plenty of music and his concert band of 23 pieces with the calypso band, the band and the golden chimes are features of the big parade.

It requires 18 of the largest railway cars ever built to transport the vast equipment of this mighty organization. The tour of the Al G. Barnes big 3-ring wild animal circus includes all the big fairs in Canada and the principal cities of the Pacific northwest.

Court of Revision

The adjourned Court of Revision will be held in the Council Chamber on June 4th.

Council Meets

A special meeting of the Coleman Council was held on June 7th. All members were present.

It was moved by J. O. C. MacDonald and seconded by F. G. Graham that in accordance with the resolution unanimously passed at the meeting of ratepayers held in the Council Chamber on Monday June 6th, requesting that the census of the Village of Coleman be taken with a view to incorporate, we do hereby appoint H. Gate, to take once the census of the said village of Coleman as shown in the plan prepared for the Department at Edmonton. Carried.

Council adjourned.

Special Meeting of Council

A special meeting of the Coleman Council was held on June 10th. All members present. It was moved by J. O. C. MacDonald and seconded by F. G. Graham that a meeting be held on July 6th for the purpose of said ratepayers voting on the question, "Shall the Village of Coleman be erected into a town municipality?" The said voting to take place in the Council Chamber between the hours of 5 and 10 a.m. on the above date. Carried.

It was moved by F. G. Graham and seconded by J. O. C. MacDonald that H. Gate be Returning Officer for taking the incorporation vote.

Council adjourned.

Will Develop Iron Near Cowley

Cowley, June 16.—An important railway and development deal that had been maturing for a couple of years, has just been closed by Gardner and Carney Bros. of Kaslo, B. C. turning over to a St. Paul syndicate, which is said to have unlimited capital, an option on coal and iron deposits near Cowley for a quarter of a million dollars. The ore is magnetite and assays 65 per cent and the syndicate intend to build a modern steel plant for which the metal is admirably adapted.

The syndicate is stated to have secured the charter for a railway into Calgary and the line is said to be located from Butte across Milk River towards Pincher Creek following the Old Man River into the Livingstone range, the line running west will parallel the iron and coal deposits north of Cowley. It will cross the Calgary and Macleod branch of the C. P. R. near Midnapore and have its terminal in South Calgary.

The development of iron and coal properties is the primary object and the project was delayed pending the closing of various deals.

Correspondence

Coleman, Alta., June 16
Editor of COLEMAN MINER
Dear Sir

A "Now or Never" Club has been formed in Blairmore. We would like to ask our Blairmore brethren if Coleman bachelors could join this order.

Yours Sincerely
H. & H.
A lover of fair play

Memorial Service

A Memorial service will be held in the institutional church Sunday for the late Rev. Dr. J. Hershman, Superintendent of Missions. Rev. T. M. Murray will preach and Mrs. Watson will sing "Only remembered is what we have done."

Lame shoulder is almost invariably caused by rheumatism of the muscles and yields quickly to the free application of Chamberlain's Liniment. This liniment is not only prompt and effective, but in no way disagreeable to use. Sold by all dealers.
